### W. C. T. U. ASKS GOVERNOR TO HELP KEEP CANTONMENT MORALLY CLEAN.

Several Queen Annes county women attended the recent convention of the Women's Christian Temperance Union of Maryland at Towson. One of the most important transactions of the convention was the launching of an aggressive campaign to keep conditions morally clean about the cantonments where young Americans are now being trained for service abroad. As a preliminary, the following resolution was passed and forwarded to Governor Emerson C. Harrington.

To the Governor of Maryland and others in authority:

"The five thousand members of the W. C. T. U. of Maryland, in the name of the mothers of the soldier boys in training in our state, appeal to you to use the authority vested in you in every possible way to keep the environs of Camp Meade free from victous influences that heretofore have been la mentably considered a matter o course around military establishments.

"Secretary Baker and the War Department are trying wholeheartedly protect the boys who have left homes at their country's call rom vice and its terrible results moral and physical, and we, women of will do all in your power to see that these sens of ours and of other moth-
